## Programme September-December 2006

### U September Week 1

#### Games at xxxxxxxxxxxx

Games - some old, some new, some daft to start the term off.

### U September Week 2

#### Crystal Maze at xxxxxxxxxxxx

The biggest crystal maze ever, with some fantastically new fun games. Will your team triumph and collect the most crystals from the 18 challenges you'll be doing?

### September Week 3

#### Fire Challenge at xxxxxxxxxxxx

In order to win this challenge, you will have to work well together as a team and have good fire lighting skills. A bit of randomness would probably help as well. Will you succeed?

### September Week 4

#### Gokarting at xxxxxxxxxxxx (£10 charge)

Our annual trip to Superkarts in Letchworth to zoom stupidly fast around the indoor track there. Safety briefing, helmet, neck protector and gloves included.

### October Week 1

#### U Crazy Golf at xxxxxxxxxxxx

Feeling creative? In teams, you will be asked to create a couple of crazy golf 'holes'. We'll then go round the course and see who the best golfer is! **If you can bring any putters or golf balls with you, please let me know.**

### October Week 2

#### Walkies!

Out for the evening walking near xxxxxxxx. Will you be able to follow the route correctly? Or will you get completely lost? Younger scouts walking in groups with adults. Don't forget to dress up warm and bring a torch.

### Other activities this term
