U First week in January

Tower Building

We'll be revising our knowledge of knots this evening, by trying to build towers up to the roof of the scout hut... that don't collapse when we use them! Don't worry, we'll be helping you, and then we'll play a couple of games and competitions using them.

L Second week in January

Night Hike

Come for a walk at nighttime through the countryside... hope you don't get too lost!

L Third week in January

Top Golf

Off to Top Golf for a game on their unique indoor, heated golf range. Even if you are totally rubbish at golf or have never tried it before, it's worth coming and having a go. Transport by minibus there and back. More info about what Top Golf is at <http://www.topgolf.co.uk/>

Fourth week in January

Wide Games

A range of different wide games played in the fields and woods. Don't forget a torch and plenty of warm clothing!

First week in February

Sports

We have hired one of the sports halls and also have use of the outdoor spaces (weather permitting) to allow us to play a range of different team games - football, volleyball etc. You might want to bring a drink.

Second week in February

Campsite Service

Our local campsites are very good to us - they let us do a range of crazy and not so crazy stuff there throughout the year, so once every other year (not that often, let's be honest...) we go and help them for a change. On this occasion, they would like us to help cut down a hedge and then dispose of it. Probably on a very large fire!

U Fourth week in February

Pancakes

Well it's nearly Shrove Tuesday. We'll be cooking a range of different pancakes tonight in a range of different styles.

U First week in March

Craft

A couple of crafty things which you may not have tried before

U Second week in March

Egg Night

An evening involving eggs. We'll be dropping them, boiling them, eating them and several other eggy activities.

L Third week in March

Aquasplash (£5)

We've hired a coach and we're off to Aquasplash in Hemel Hempsted for the evening. James needs to know numbers by March 13th. Don't forget 20p for the locker and swimming stuff and towel. Friends of scout age welcome, but let James know in advance!

Fourth week in March

Overnight at Tolmers

Celebrate the start of the Easter Holidays with an overnight event at Tolmers - more information to follow nearer the time!

Church Parade at Christ Church Little Heath

These events are not compulsory, but if you wish to attend them come along to the church in uniform for a 10am start. We will be finished around 11am.

Activity Week - April - around 20 activities during the day and evening over the week - everything from outdoor gokarting to offroad car rides to scuba diving!
More information around half term.

Parental Help Rota. If you cannot make your date, please arrange a swap with someone else and let me know.
